Many Other Prizes for Students

Special Personal Analysis Report (SPAR)

The Graphical Representation of Data Reflects performance level of a student topic and chapter-wise. The meticulous analysis of student's performance gives the parent and school an idea about a student's weaker areas leading to taking appropriate steps to improve the same. The various graphs provide the picture of a student in comparison with all other contestants from India and abroad, at the same time, inspire him/her to work harder in future.
